

Words from Our Mayor

Dear friends and neighbours. Another month has passed. When I was acclaimed as Mayor for the Town of Two Hills, I experienced a lot of different emotions. The biggest was a humbling feeling of gratitude to the residents. Giving me a second mandate to lead our community for the next four years is definitely an honour and a privilege. I do not take this privilege to lead our community lightly. I will strive to continue with the leadership you have had, deserve and become accustomed to.

As we proceed into October, our public works projects are coming to an end. Paving and roadwork should be completed in October. As we approach colder weather, if you notice any deficiencies, please phone the town office and report them. Our dedicated group will try meet all the areas of concern. I would like to thank everyone for their patience for everything. Things don't always go as planned.

We will be replacing our water meters soon. The ones we have at present have become outdated and parts are no longer available. We were preparing for this event. Some new modern meters have been installed already.

As I end my monthly letter, Covid-19 has divided communities and we have not been spared. This fourth wave has hit the partially vaccinated and unvaccinated people the hardest. Over 80% of hospital admissions is made up of this group. This has caused hundreds of surgeries to be cancelled so that we can treat this group. The sooner everyone gets vaccinated, the sooner we can get back to a new normal. I'm afraid vaccination is our only way out of this pandemic. Please roll up your sleeves and get vaccinated. It is free.

Till next month, remember, "Treat your neighbour as you would want to be treated.

Halloween Safety Tips

Keep your little ghouls safe this Halloween with some easy tips and tricks!

- Trick or treat in groups- never alone
- Take a flash light with you and place reflective tape on costumes.
- Only visit well lit houses
- Only enter a house if with a trusted adult
- Never ride with strangers
- Examine candy before its eaten
- Make sure any weapons for a costume aren't too sharp
- Contact authorities if you see anything suspicious or dangerous.

Halloween is a fun holiday, so establish rules for a scarily safe time!
