

- 1. FINISHED SB-90 Road Projects:** since the July council meeting streets that have been done are 46 Ave (from 51-52 St), 52 St (45-46 Ave), 49 St (51-52 Ave), 52 Ave (49-50 St), 50 St (51-52 Ave) and 48 Ave (46-47 St) are all complete and look really good. Keep up the GOOD JOB Public Works!!!
- 2. SB-90 Road Projects to be completed:** 49 St (47-50 Ave) on the west side of the Mennonite school in the next week or two. Two blocks of 47 Ave (from 48-50 St) has been milled and the remaining two blocks of 47 Ave (from 46-48 St) will be finished later in the summer after the county is able to come back and finish milling.
- 3. Paving 45 Ave (Hwy 36 – 54 St):** this project is scheduled to start in the last week of August or first week of September. Preparation is being done by Public Works and they are making good progress.
- 4. Bylaw Notices: Semi Trucks & Holiday Trailers.** We continue to issue notices for removal of semi trucks and trailers from Town streets and residents seem to be complying. It rarely is the same residents.
- 5. UPDATE - Sidewalk Replacement.** The contractor finished the majority of sidewalk work for this summer. The contractor will be back in mid to late August to do some extra sidewalk replacement before paving starts on 45 Ave (north side from 52 St east to the back alley) and curb & gutter with some storm drains on the south side of 45 Ave (Centennial Hall east to Hwy 36). Then in the fall there will be some small sections for replacement.
- 6. Unsightly Premises.** We are still working with a few properties and discussions and work are proceeding slowly. The majority of the work should be done by late fall, if not then a contractor may have to be brought in to do the work and this will be billed back to the property. One property will be doing a majority of the cleanup before winter and will finish over winter and into the spring.

**Please see attached CAO Action Tracker for council requests and for capital projects.**
