

- 1. Broadband.** Will be setting up a meeting with Arthur of VM Systems – Digital Web Internet Services out of Vegreville to look at his idea for improved internet service in Two Hills.
- 2. Capital Projects 2021.** For council to decide on which projects to do this summer. Which roads to be re-done with SB-90. Also sidewalks to be re-done or replaced with curb & gutter. Map attached.

**Please see attached CAO Action Tracker for council requests and for capital projects.**
